**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are using Sonic as our internet provider. we are very happy with this provider as this company is competitor to big ISP providers.

We need competition in the broadband space to get better prices and good customer service.
I work from home and I need broadband to support my work.

I support Broadband competition for better pricing, good service and proper customer support.

Regards,
